Dear Mr. Crites:

I have worked extensively with Jason Tankersley and A-Line Electric for nearly 2 ½ years. During that time, they have handled our electrical needs on both residential and commercial projects. Their level of service and commitment to detail is what initially caught my attention. Jason and his team are easy to work with, very responsive, always do the job right the first time and never cut corners.

Referring another company is something I have never taken lightly, because I am trusting them to offer the same level of quality and service to my clients that they have come to expect from me. I refer Jason to my clients multiple times per week, without reservation, and highly recommend him to you. I'd be happy to discuss any of this further if you are interested in more details. I can be reached at 972-346-3041.

Sincerely,
